## **PILGRIM TRUST AWARD**

**This competition has been running since 1980 and is organised by Edinburgh Cine and Video Society each year. The theme of the competition is “Scotland” and almost any film made in Scotland or on a Scottish subject will be accepted.**

**Originally the competition was restricted to films about Scottish Heritage or the Preservation of the Scottish environment, but this proved to be rather restrictive and the scope of the competition has been widened.**

**Our Judge this year is Stewart Emm, who is this year’s ECVS President. Stewart has been a member of ECVS for many years and is a keen film maker and viewer.**

**We are pleased to announce that this years entries have been of a very high standard, and hope you enjoy viewing tonights films. Many thanks to all those who entered.**

**The winning film will be announced at the end of the evening, the winner to be awarded the Pilgrim Trust Rose Bowl, to be held for a year, but will also receive a small quaich to keep as a reminder of their success!**
